Extinction and Conservation

**Learn how you can help make a difference
for today's wildlife!**

If dinosaurs could travel through time, what would they tell us?
"Protect your planet! Once a species goes extinct, it's gone forever!"

**Did you know that every euro you spend at Dublin Zoo supports
conservation efforts to protect wildlife today?**

Why can't we bring dinosaurs back?

This isn't possible unfortunately — but we can protect today's
endangered species. Your visit helps Dublin Zoo fund vital
conservation efforts both locally and globally.

What's one thing dinosaurs didn't have that we do?

A choice. We can choose to protect wildlife and ensure no species
meets the same fate. Your visit helps Dublin Zoo fund vital
conservation efforts both locally and globally.

What can we do to help?

Reduce the amount of plastic we buy

Reuse items when possible

Recycle any materials that can be
used for a new purpose
